CO-OP CONNECTION APP

For years now, our members have benefitted from access to hundreds of discounts through the *Co-op Connections Card*. Now, you can go beyond the card with the *Co-op Connections App*. It's easy to download and easy to use, here's how to get started:

- 1. Shop Your App Store**

Search for Co-op Connections in either the App Store or Google Play Store. On both platforms, the app is powered by iBennie through a partnership with Touchstone Energy Cooperatives.

- 2. Download & Create a Login**

Once the app is downloaded on your phone, open it to set up your login. While setting this up, you'll select 'People's Energy Cooperative' as your electric cooperative.

- 3. Find All the Ways to Save**

Now you can start looking for deals! You'll notice that you can search by physical location or by category. Enjoy taking these savings with you, wherever you go.
