

Do you believe in the Seven Cooperative Principles?

Is affordable and reliable energy important to you? As a member-owned organization, we strongly encourage our members to consider running for a seat on the PEC Board of Directors.

The Board is the Cooperative's governing body and is responsible for representing members in policy and rate making, approving the Annual Work Plan and Budget, hiring corporate legal assistance and auditing firms, as well as hiring and managing the President/CEO.

In 2024, the seat for District 2, currently serve by Jodie Tvedt, and the seat for District 4, currently served by Tracy Lauritzen, will be up for election. If you believe in the Seven Cooperative Principles, are a proven leader in the community, and value affordable and reliable electricity, the PEC Board of Directors may be a good fit for you.

If you have any questions or are interested in either of these roles, please email memberrelations@peoplesenergy.coop or call (800) 214-2694.
