

2024 Legislative Energy Forums

Energy Policy and its Effect on Reliable and Affordable Electricity

Our members expect their lights to stay on at a price they can afford. As we navigate the ongoing energy transition, it's crucial that state and federal policies prioritize both reliability and affordability. Join us and local Minnesota State House Candidates for a conversation on net metering, Minnesota's nuclear moratorium, and other important issues.

People's Energy Cooperative

Your Touchstone Energy® Cooperative 

(800) 214-2694

www.peoplesenergy.coop

This institution is an equal opportunity provider, employer, and lender.
