# As a member of People's Energy Cooperative, you have a voice in how your cooperative is governed and who represents you on the Board of Directors.

By early March, all members should receive a ballot packet in the mail with directions on how to cast their vote either by paper ballot or online. Background information on candidates was included in this packet. Members with current email addresses on file were sent an email from "People's Energy Cooperative Election Coordinator" at [noreply@directvote.net](mailto:noreply@directvote.net) with a direct link to cast their vote online. Please note that only one vote per membership is allowed and the first vote received is the one that will be counted.

**If you have not received your voting materials by March 8, 2024, please contact the Cooperative by calling (800) 214-2694 or emailing [memberrelations@peoplesenergy.coop](mailto:memberrelations@peoplesenergy.coop).**
