Be There.

Be Heard.

Be Inspired.

## We're going on a Power Trip. Join Us.

Spend six days in our nation's capital visiting famous museums and historical sites and chatting with politicians. The best part? **Your rural electric cooperative will pay all of the expenses!**

Every year, 40 bright, enthusiastic and passionate high school juniors and seniors are chosen to represent Minnesota on the Rural Electric Youth Tour. But we're not the only ones there. Youth Tour is a national sensation!

Over 1,900 student delegates from all over the country rock D.C. on this tour! They visit with their congressional representatives, tour some of the most famous museums in the world and make memories and friends that will last a lifetime.

Make 2022 the year you experience the monuments that are dedicated to our country's leaders. Let your voice be heard and get your questions answered.

**To apply, contact your rural electric cooperative or high school counselor.** This tour is coordinated by the Minnesota Rural Electric Association (MREA) and is scheduled for Tuesday, June 14 through Sunday, June 19.

*The Youth Tour was a real eye opener. It made politics seem not so distant, something that I could actually become a part of and affect directly ... When you're in D.C., you realize you are the next generation to step into the government positions that run our country.*

- Carter Duncan, Youth Tour participant & National Youth Leadership Council
