The program is funded by donations made by members of People's Energy Cooperative who voluntarily have their monthly electric bill rounded up to the nearest dollar. Approximately 17,000 members currently participate with the average donation of \$6.00 a year per member, demonstrating that small change can make a big difference.

Applications for funding are considered on a quarterly basis. The funds are held separately from the People's Energy Cooperative operating accounts and are administered through the Board of Trustees comprised of seven People's Energy Cooperative member volunteers.

To be considered for fourth quarter grants in 2016, applications must be submitted no later than September 20, 2016. Program guidelines and applications for Operation Round Up® donations are available at www.peoplesenergy.coop or by calling the Cooperative at (507) 367-7015 or (800) 214-2694.
