 Learn about Rural Electric Cooperatives National Museum of African American History and Culture

Be There.

Be Heard.

Be Inspired.

We're going on a Power Trip. Join Us.

You will spend six days in our nation's capital visiting museums and chatting with politicians. The best part? **Your rural electric cooperative will pay all of the expenses!**

Last year, 39 bright, enthusiastic and passionate high school juniors and seniors represented Minnesota. But we weren't the only ones there. Youth Tour is a national sensation.

Over 1,900 delegates from all over the country rocked D.C. in 2019. These students visited with their congressional representatives, toured some of the most famous museums in the world and made memories and friends that will last a lifetime.

Make 2020 the year you experience the monuments dedicated to our country's leaders and heroes. Let your voice be heard and get your questions answered.

Contact your rural electric cooperative or high school counselor to apply. The Minnesota Rural Electric Association (MREA) coordinates the youth tour. We will leave Saturday, June 20 and return Thursday, June 25.

In the meantime, check out the pictures from our 2019 youth tour at <https://tinyurl.com/y3v8nq37> and learn more about youth tour on NRECA's National Youth Tour website: www.youthtour.coop.

The Youth Tour was a real eye opener. It made politics seem not so distant, something I could actually become a part of and affect directly ... When you're in D.C., you realize that you are the next generation to step into the government positions that run our country.

- Carter Duncan, Youth Tour participant & National Youth Leadership Council
