

HELP US HELP YOU!

It doesn't happen very often, but from time-to-time we need to contact our members by telephone or e-mail. It is important that we can reach you in situations like a planned outage, equipment replacement, suspicious activity related to your account, or an emergency.

If you have not done so recently, please take a few minutes to verify the telephone number(s) and e-mail address(es) we have on file for you. This allows us to utilize multiple methods of communication to ensure you stay informed.

You can review and update your contact information by:

- **Visiting our website, peoplesenergy.coop**, and reviewing your account information through SmartHub (*you need to be registered*).
- **Calling the Cooperative** at 507-367-7000 or 800-214-2694.
- **Sending an e-mail** to memberservices@peoplesrec.com.

Help us, help you by taking the time to ensure we have your contact information up-to-date.
