

BUDGET BILLING CHANGE

Beginning July 2018, budget billing amounts will only be recalculated once per year.

Previously, the budget billing amount on your statement was recalculated twice per year. The new budget amount on your July billing statement will be your monthly payment until recalculated in July 2019.

Based on member feedback, we believe this change will help keep your payments more predictable year-round. If you have further questions about this program, please contact the Cooperative at (800) 214-2694.
